

LIVE IMMEDIATE VIRTUAL EVALUATION TELEHEALTH AND TEST ADMINISTRATION SERVICES

FAST, CONVENIENT, AND EASY-TO-USE

With a nationwide network of medical professionals, CynergyLIVE telehealth services provides access from anywhere for clinical consultation and review of clinical laboratory results.*

How it Works.

Telehealth services are provided through a secure mobile connection to a medical professional.

Features and Benefits:

- Provides convenient access to a healthcare professional from any location
- Allows for appointment scheduling online or by phone
- Includes national physician coverage for all 50 states including the District of Columbia**
- Can be coupled with Cynergy approved rapid at home diagnostics for immediate results and result review
- Eliminates the need to travel to a clinic
- Reduces wait time for clinical laboratory result review

To learn more about the convenience of CynergyLIVE, visit us cynergywellness.com or call **844-800-6767**.

*All consultations do not include a diagnosis, treatment plan or prescription. Cynergy may refer patients to their primary care physician or other appropriate healthcare provider for follow up and confirmation of results.
**Some states may have telehealth restrictions so select services may not be available in all areas.
