

NATIONAL PHYSICIAN PRESCRIBING AUTHORITY

ONE PARTNER FOR YOUR
PHYSICIAN ORDERING
& REPORTING

- SCALABLE
- FLEXIBLE
- TRUSTED

SCALABLE

Our team of physicians and medical professionals process millions of transactions annually, with a national footprint to support laboratory and occupational health transactions across all industries.

FLEXIBLE

We are technology enabled and flexible, with real-time API ordering and reporting capabilities as well as standing orders for ease of implementation and a seamless patient experience.

TRUSTED

With over 30 years of expertise in workplace health and safety screening, our experience combined with technology delivers efficient access to a robust menu of diagnostics.
